

COCKTAIL MASTER CLASS

Always wanted to get your cocktail game on and impress your friends at dinner parties?

Well, this is your lucky day! Choose 3 different cocktails you love and our resident mixologist will guide you through the art of making a cocktail.

If anything here tickles your fancy, or you would like to discuss your function further, just contact us at enquiries@thekilburn.com.au

We look forward to shaking what our mamma's gave us together ;)

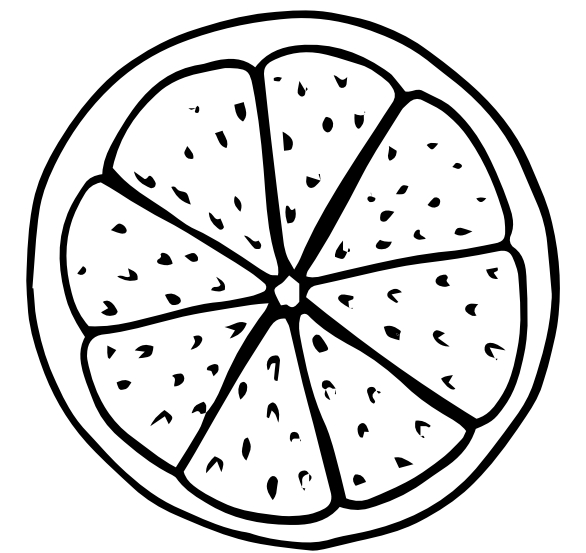

DO YOU THINK YOU HAVE WHAT IT TAKES TO MIX AND SHAKE WITH THE BEST?

It's one thing drinking a cocktail but it is a whole other game making them.

In this Masterclass you will be guided by one of our resident mixologists as you shake and taste your way through 3 classic cocktails. Our suggestion, choose between our white or dark classes.

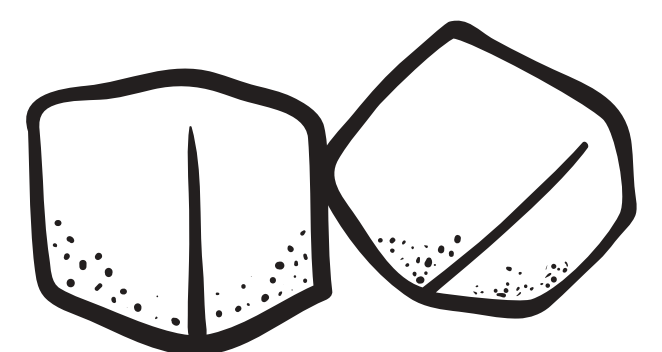

For the white class you will be pouring the ever popular Espresso Martini, a classic Gin South Side, and Mango Daiquiri.

For our darker alternative we will be mixing the classic Old fashioned, Mai Tai, and Whiskey Sour.

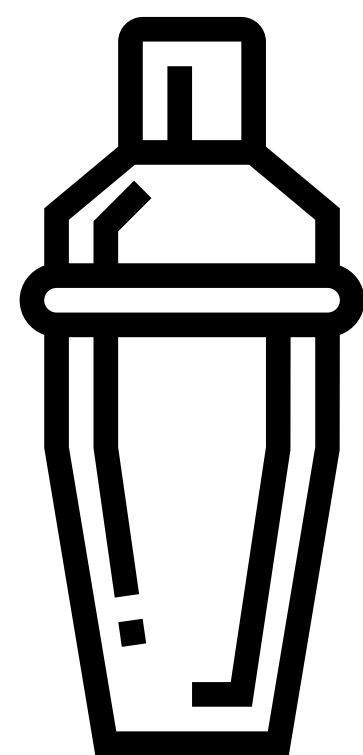

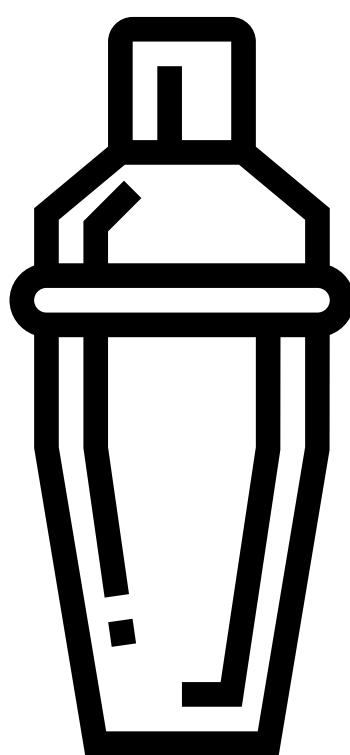

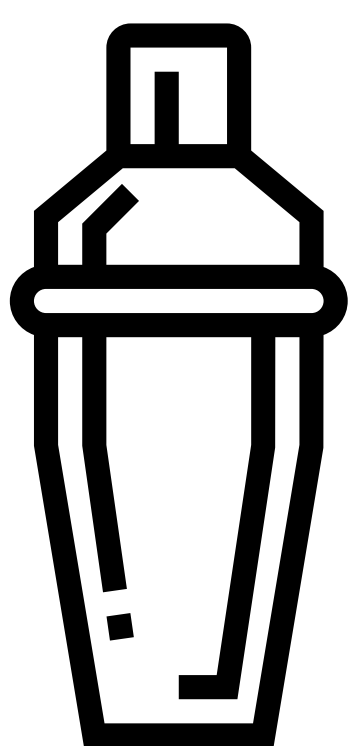

Whatever you choose we'll ensure you come away with bragging rights.
